## DIGITAL ACTIVITIES

BY *Amy Lemons*

The image shows a digital activity interface. At the top, it says 'AWESOME ADJECTIVES' and 'Type four adjectives to describe the animal.' In the center is a photograph of a tiger. Surrounding the tiger are four colored boxes, each labeled 'ADJECTIVE:'. The boxes contain the words: orange (cyan), large (yellow), striped (green), and ferocious (purple). To the left, a smaller tablet displays a 'I CAN SORT WORDS' activity. It has three columns: ADJECTIVES, NOUNS, and VERBS. The ADJECTIVES column contains 'silly', 'smart', 'kind', and 'quiet'. The NOUNS column contains 'student', 'school', and 'teacher'. The VERBS column contains 'read', 'learn', and 'write'. Below the tiger, there is a green box with the word 'striped' and a purple box with the word 'ferocious'. The entire interface is set against a black background with white text and colorful boxes.
