by Amy Lemons

**My Haiku Poem**

What Am I?

I'm always lazy.  
Scratch and pet me while I purr.  
Back to sleep I go.

**My Haiku Poem**

Ouch!

I just scraped my knee!  
Kisses and band aids from mom,  
All better, that's me!

**MY 5 SENSES POEM**

Pizza

Pizza is my family's favorite meal.  
It tastes like a cheesy dream.  
It sounds like a crunchy taco.  
It smells like dinner is ready!  
It looks like a slice of heaven.  
It makes me feel satisfied and full!

Sun  
Bright, Sunny  
Shining, Exploding, Warming  
Light, Flame, Rays, Star  
Burning, Beaming, Heating  
Hot, Beautiful  
Daylight

**My Limerick Poem**

There once was a green and orange snake  
Who lived over near the town's lake.  
He was scary and mean,  
But was tidy and clean.  
Would you dare share with him your cake?

**My Simile Poem**

Lemonade

Sour like a pickle  
Goes smoothly down my throat  
Refreshing like a dip in the pool  
Sweet like a root beer float

by: Mrs. Lemons

**My Cinquain Poem**

Ice Cream  
Creamy, sweet  
Dripping, licking, giggling  
Cone with extra scoops  
Dessert

Losing a Tooth  
Waiting and waiting,

## MY ACROSTIC POEM

Let's drink a glass  
Enjoy every sip  
Made with love  
On a warm day  
Nice and refreshing  
After lunch snack  
Don't forget the straw  
Even better with ice
