Student Instructions

Solve to Create Shark 2

1. Read the word problem.
2. Solve the word problem to collect a piece of the shark. Show your work on each slide.
3. Type your answer.
4. Do this for all word problems.
5. After you have completed all 6 word problems you may build your shark!
6. On the last slide move the pieces to make your shark. Underneath each piece you will see an answer. Check to make sure your answer matches!
