# RABBIT

## THE HIP HOP BUNNY HOP CRAFT TEMPLATES

# DIRECTIONS

## ALL THE INFO:

Students solve a word problem to receive a piece of a rabbit. Each word problem shows what piece they are earning. They must solve the problem correctly to earn that piece. Students solve all six word problems. Students assemble their

AMY OLIVIA  
Lectures

## ALL THE INFO:

There are three different sets of word problems. There is also an editable set so that you can create your own word problems.

## ALL THE INFO:

AMY OLIVIA  
Lectures

Print all of the rabbit pieces ahead of time. These can be printed on colored paper OR on white paper. If the pieces are printed on white paper, students can color and assemble. The teacher can keep all of the pieces of his/her table as shown. *Print all of the pieces of his/her table as shown.*

## ALL THE

Task Covers to the outside of the envelope. Put the word problem inside of the folder. Put the folders around the room. Students work in groups and visit each task folder. Once they get to a folder students take out the word problem to solve.

AMY OLIVIA

## ALL THE INFO:

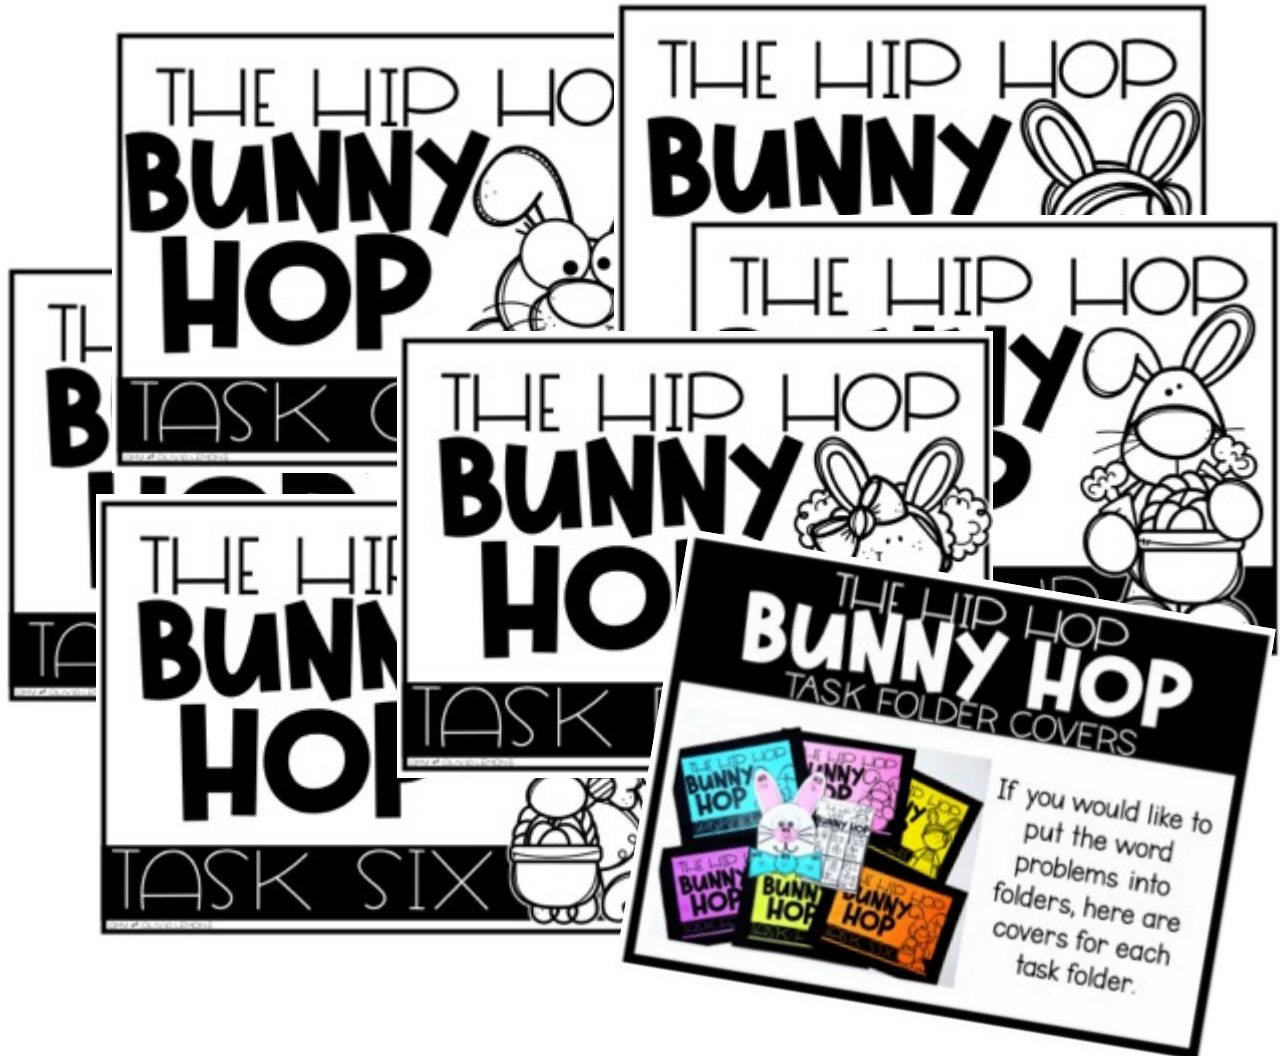

Students can solve their work on the recording sheet.

There are large and small word problems.

# TASK COVERS
